OFFICE HOURS:

Hours are Monday thru Friday 10am to 6pm. If no one is available, please leave your name, phone number, team number and a brief message. We will contact you as soon as possible.

LEAGUE PLAY START TIMES:

Weekday start times are at 7:30. There is a Division that starts at 8 and Sundays each division has a unique start time.

FORFEITS

During weekly league play, 8 Ball Teams will receive 2 points per match and 9 Ball Teams receive 15 points per match for forfeits. Verbal forfeits will stand. For example, if you state that you will only have 4 players you may not put up a 5th player unless agreed upon by opposing team. Leagues playing on two tables are allowed a 10 minute grace period for the "continuous play rule". Once each team has put up players for a match you are not allowed to change players.

APA MEMBERSHIP DUES:

Dues must be paid the first week that members play or by the fourth week of the session, whichever occurs first. Any player that has not paid by the fourth week may be removed from the roster and may not be added back without League Operator approval. Any points earned by a removed player may be deducted from the team's total points (without notice).

*A \$10.00 late charge may be applied to unpaid dues

** New members must fill out a member application. The application must be accompanied by the new member fee to be added to the roster.

TEAM ENVELOPES

The weekly envelope is the way score sheets are delivered to the players. In the envelope you will find your score sheet, a payment envelope, patches earned last week, flyers about upcoming events, etc. The envelope is the most efficient form of communication. If you, or your team, want more information write a note on the score sheet and it will be answered. The envelopes will be delivered by late Sunday. Depending on the prior week schedule envelopes might be delivered earlier. **Your envelope needs to be returned to a drop off location after play has been completed.** If the envelope cannot be found the match may not be scored and you will show a past due balance. We need both envelopes to properly score a match.

WEEKLY TEAM FEES:

Weekly team fees for 8 Ball and 9 Ball is **\$40.00** per week of play. Fees are due for each week of play regardless of number of matches played, **including forfeits** and play offs. All team fees and completed score sheets need to be left at approved drop boxes and locations. It is recommended that checks be put in the money envelope provided. There will be a \$ 25.00 return check fee for any checks returned by the bank.

The weekly fee for **Big Tyme Monday night** is \$55 which includes a green fee that goes to Big Tyme.

Scotch Doubles and Jack and Jill, weekly team fee is \$16

Masters Team fee \$ 30.00 a week

PAST DUE FEES:

Any teams with a past due balance will be handled on an individual Basis. No team with a past due balance will be eligible to compete in Tri Cup or City. The team may not be allowed weekly play and may be removed from the Division (at the discretion of the League Operator).

If a team remains past due for two weeks or longer, patches may not be awarded and team members may not be allowed to participate in APANHC tournaments.

CUE BALLS

A team is not allowed to change the cue ball that is normally used on the assigned table, unless the change is agreed to by the other team. If a host location has a mix of normal weight, magnetic, and oversized cue balls, that are normally shared by all of the tables, the normal weight cue ball (or one that belongs with the table) is to be made available. No one may change the normally available cue ball, unless both teams agree.

BONUS POINTS

Although currently we don't use Bonus points, they may be instituted this league year. We would like winners to be determined by their play and not by other items. With that being said, here is what we may implement during this league year:

1 extra point will be awarded for each team that turns in all fees and has completed the scoresheet properly. During the beginning of the year that includes membership dues. Players that join after the

first week of play in session must pay their dues the first night they play or no point is awarded. Any past due team will not earn a point.

On the Score sheet the following must be filled out to earn the point: Team Number, Name, Skill Level, games to win (points), Innings, Defensive Shots, Games won or final ball count and points won. The fees section must be filled out and all fees paid.

To earn the point the envelope must be turned in within 24 hours after play. If the envelope is not found there is no extra point.

We will continue with the warning sheets. If your team continuously receives one, there may be penalty points for not doing the minimum required. (LO Discretion) Before any points are taken away there will be warnings of the impending point removal on the warning sheet.

PLAY BACK RULE:

A playback is allowed when a team has less than **5 players** show up. The opposing team can choose which player will play a second time. One playback a week is required during the first four weeks of any session. This is provided to allow teams to build their roster so they can compete for the complete session. The team with players present picks who is going to play twice and cannot force the team to go over the 23 rule. If the match goes over the 23 rule and was agreed upon it cannot be protested. After the first four weeks, play backs are generally not recommended but are allowed. Playbacks will be scored but the player playing twice will not get credit towards the 10 match or 4 match rules to be qualified for tri cup or city.

ADDED TEAMS:

Teams added during the first four weeks of a session will be given points for each match they missed. 8 Ball teams will receive 6 points, 1 point in Scotch Doubles, 1 point in Masters and 40 points in 9 Ball teams. Teams added after the first four weeks will not be able to win the session. Teams that want to join will be allowed to play when they are ready to begin.

BYES:

8-Ball teams will receive 8 points when playing the bye team. 9 Ball teams will be awarded 60 points. Scotch Doubles will receive 5 points and Master teams will receive 2 points

RESCHEDULED MATCHES:

All rescheduled matches **must be replayed within two weeks of the original scheduled times**. Any un-played matches will be scored as forfeits and weekly fees will be due. Any delay will need to be addressed to the Division Rep. No makeup matches will be allowed in the last three weeks of play without prior approval.

INCLEMENT WEATHER:

When a match must be postponed due to weather (hurricane, heavy flooding, ice) the team captain must contact their Division Representative or the League Office prior to the scheduled start time. Both teams must agree that the match cannot be played and must be made up within two weeks of the original scheduled date.

TROPHIES & LOCAL TEAM CHAMPIONSHIP QUALIFICATION:

8 Ball Open Divisions

Plaques will be awarded to the first place team in each Division. The runner up team will receive plaques when the Division has more than 10 teams at the end of the session. At the end of each session the following teams will become qualified for Session Tri Cups. Tri Cup winners will become qualified for the Local Team Championships. For the 2017-2018 League year, 5 teams will qualify at the Summer Tri Cup, 5 Teams will qualify at the Fall Tri-Cup, plus any spots that become open by teams that lost their qualification, and 6 teams during Spring Tri-Cup, plus any spots opened up by teams losing their qualification. Make sure you understand that qualification can be lost. The most common reason for DQ is a team does not stay in the top 50% of their Division after becoming qualified. The second reason is they made changes to their roster after fourth week of play.

SINGLE BOARD QUALIFIERS:

Anyone interested in playing a singles board should contact their Division Rep or the League Office. The League Office will keep a list of interested players for the singles program. When 4 players of like skill levels have been compiled, the office will contact the players and offer to hold a competition and administer the board.

VOLUNTEER OPPORTUNITIES WITHIN THE A.P.A.

TEAM CAPTAIN:

Team Captains are responsible for their team. They are expected to ensure they inform their team where they are playing and how to get there. The Captain needs to make sure that score sheets are filled out and signed. The Captain needs to insure that the fees are paid and put into the envelope and that the envelope is turned in in a timely manner. It is important to share all the information included in the weekly envelope so that everyone who wants to participate in our other events will be informed.

DIVISION REPRESENTATIVE:

A Division Representative is expected to be a conduit between the League Office and the individual divisions. It is expected from each Division Rep. to call all teams at the beginning of each season to inform them where they are going to play and against whom. Division Reps should work with teams on questions that are in the team manual and forward concerns to the League office. During the sessions Division Reps are expected to find players who are interested in participating in Singles boards. At the end of the session, the Division Reps will be responsible for finding out which teams are returning and find out who may not return and why. Division Reps will need to call teams qualified to play in Tri-Cup and LTC tournaments and inform the office which teams will not attend. The Division Reps should also inform the office of any possible new host locations and help insure posters are up in all locations.

REFEREE:

During higher level tournaments referees are needed. Any higher skilled player who would like to help during these tournaments please contact us. The positions are only available to skill level 6 or higher.

Refusal to Do Business With

At any time, at the sole discretion of the League Operator, APA of North Harris County can refuse to do business with any individual regardless of whether the individual's APA membership is in good standing. Most often, players who are unwelcome in the League will be those who are disruptive to the League, repeatedly complain about handicaps or who otherwise deride the League in public.
