

APA of North Harris County

Volume 1, Issue 1

January 2009

Message from League Operator

Roger Schuett
APANHC

Welcome back. Thank you for playing. To clear up any misunderstandings the South east Texas APA has been split into two parts. Welcome to the new area now called the APA of North Harris County. The new phone number is 281-682-2144. The APA of NHC territory is from 290 and the county line to 610 Loop follows the Loop to US 90 (Crosby) to the county line and follows the county line back to US 290.

What will change? Hopefully not very much. There is a new set of By-Laws which can be read on the web site. We have a trip to Vegas in both 9 Ball and 8 Ball. There will be a Local Team Championship in June or July Date has not been set. We would like to grow teams to make playing team pool fun for everyone.

The Long term goals of the organization would be to have more Divisions that have teams close to each other and playing on the same size tables. To accomplish this we need to grow the number of teams that are playing as well as the number of host locations

Team 5-0.

we play out of. If you know anyone that would like to start a team please have them call me. Anyone who leaves a team to start a new team will receive a gift from the APA at the end of the first played session. So there is no confusion please tell me if you are doing this so we can talk about what you might be expecting. Since everyone is motivated by different gifts we will talk about what works for those that start new teams.

Singles Program

It is my hope that everyone is interested in participating in the program. The qualifying window for the fall regionals is now open. Winners of 8 Ball Boards will then qualify to play in the fall regionals. If you win the Fall Regional you will go to Vegas in the Spring of 2009. If you win a 9 Ball Board You will be invited to the Spring Regional to play for a trip to Las Vegas in April 2009.

To accomplish this I would like to keep a list of all interested members. When we have 8 players of the same or close Skill Levels I will contact them all and try to set up a date to play. So many people want to participate if they are playing others of their own level. If you know 6 people that want to play a board, I am willing to Comp the missing \$30 if all participants pay their \$15. All Boards must be played and have the score sheets attached. If you have suggestions on getting more participation feel free to contact me.

WEB SITE

We have a new Web Site. At this time the Web Site is more informational than the SETXAPA.com. The new site address is nhc.apaleagues.com. There is no WWW. in front of the address. Information includes Top Gun, Rosters, Standings and Captains contacts. If anyone does not want their phone number in the Contact area please call me or leave a note on the score sheet.
