Message From the League Operator

Roger Schuett

APA of North Harris County

Glad to get the new session started. This is the spring session or also called the Vegas Session. Keep in mind the following rules. Ask me if you have questions or need a rule book. 1. If you qualified for the LTC (local team championship) you must stay in the top 50% of your Division from then on. 2. Your team must have at least 4 members on your team from the qualifying session. 3. You can not change your roster after the fourth week of the spring session. 4. You can not have a past Due at the end of the session. 5. All team members need at least 10 lifetime matches by the end of the session and established players must have four matches by the end of the session if you expect them to play with you at city or Vegas. 6. The 23 point rule will be enforced at city and you cannot change your roster after the fourth week. Be prepared.

Jeanette Lee

THE BLACK WIDOW

What a show! On January 5, 2012 Jeanette put on a show for us at Bogies. The show was presented by the APA. We appreciate all the players who came and brought friends. The APA Metro Houston was a important part of the show as well. With the good participation, we might try to do some more events in the future. If you were at the show and got a photo taken, the pictures are available on Facebook at APA Black Widow Tour. Print them out or take a look at all the people who attended.

If you missed the show, don't forget that World Champion Mike Massey will do three shows in Houston next month. He will also put on a pool school 02/26/2012.

MEMBERSHIP RENEWAL

Every year memberships are renewed in January. With that being said, if anyone want to renew by credit card you can for the first time. This can be done online at poolplayers.com as long as you have a member account. We are working on expanding this service to include weekly fees, but this is in the future.

MAKE UPS

All make ups must be approved by the league office. Forfeits must be turned in immediately. Any make ups not approved will be scored as complete after two weeks of no contact. No one will get points. Any time a team forfeits, the full weekly fee is expected from both teams. These are the rules. Again, the match needs to be completed within two weeks and fees paid with in two league weeks. Also the office must hear from the Captains or the match may be marked played and neither team will get points.

Remember we are here to have fun. If we can grow to 35 9 Balls by March, we will have another team that can go to Vegas. We have been at 25 teams so, we are close to making it. If you can start a team to help us get to the 35, it would be appreciated. We have 4 Division currently.

Monday Big Tyme 8 teams
Tuesday Bogies 7 teams
Wednesday Clicks 5 teams
1960 5 teams

Any additional teams will help us get to the point where we can add another trip to Vegas.

New Divisions

We are also adding Division 051 which will be a in house 8 ball Division at Big Tyme. If anyone wants to change Divisions, please call the office. If you are Qualified, the 50% rule will still apply.

New Members

As Always we need more members to sign up. If you know of someone who wants to join up, please give me a call or an e mail. We need more members so you are not just playing the same people every session. Let's have fun and meet more people.

The first 5 people that call the office will win \$ 5.00 if they mention this line. Did not win? Then maybe I don't have your e mail. Make sure your information is correct on the roster so you don't miss our mailings, or our mass e mail reminders and newsletters.

Thank you for being a part of the APA. I hope that together we can grow the league and continue to have fun playing pool. If you have questions, feel free to call the League Office
