## Message From the League Operator

Roger Schuett

*APA of North Harris County*

Thank you for playing in the APA of the North Harris County. We are still growing every week. I would like everyone to welcome new teams from Time Out Sports Bar and Slick Willies located at I 45 and Airtex. These bars have been added to the 1960 West Division. We would also like to welcome the Humble Division. We have added a new Host Location called Well Diggers located on First Street in Humble.

With this growth, it is appreciated that everyone is being patient with the new teams and helping them keep score. If the establishment wants you to put quarters in the table, please do so. It sometimes takes time for the bars to see the amount of business that can come in from pool.
