APA of North Harris County

THE 23 RULE

There has been a lot of confusion about the 23 rule. The total of the five players that play a given match should be 23. If the team cannot make the 23 rule they must play 19 or less in four matches. The key is if their roster cannot make 23. If a team plays 4 players and play 3 sixes and a 3 for a total of 21 points this is legal if one of the players missing is a two. If the missing players are 3s, 4s and 5s the team has gone over on points. You can agree to allow teams to go over on points. With that in mind if you sign the score sheet and turn it in then you have approved and allowed the opponent to win the match and the scores will be processed. It is important to understand the rules. The team manual has been given to every team at some point. We have more /team Manuals for those of you who would like to reread the rules.

NEW TEAMS STARTING THE NEXT TWO WEEKS

We may have two new teams starting in the next two weeks. There is a team that is joining Division 21 on Monday nights.

The team is playing out of Icebreakers on Jones Road. We appreciate if everyone is nice to the new team and helps them keep score. This fills in the bye we have on this division. The goal is to build more teams on Jones road so we can split the division again.

The second team is going to join Division 23. The Team will be playing out of Spring Tavern on Aldine Westfield. Again please welcome these teams into the Divisions. This team will create a bye in the Division. There may be another team out of Slicks. If these teams join and no one leaves we will have 2 eight ball teams going to Vegas. If you know anyone that wants to join the league have them give me a call.

REGIONALS IN SAN ANTONIO

This week end we will have up to 40 players playing in the Regional tournament in San Antonio. We hope that everyone does well. The winners will advance to Las Vegas in April. Good luck to everyone.

Do you want to join the winners in Vegas? We will have a final Qualifier a week from Friday. Find someone from the opposite sex with at least 20 8 Ball scores and a combined skill level of 10 or less. Play in the final qualifier (35 entry) and Win. Come back in the Morning and win one of the two trips to Vegas.

DEFENSIVE SHOTS VIDEO

Please watch the Video on the web site about Defensive shots. The rule of thumb is if the shot was not defensive it is marked as a defensive shot. Please start marking these shots every time.

HOW TO KEEP SCORE VIDEOS

On the web site there are great videos on how to keep score. If you need more score keepers these videos will train you team how to keep score. Some score sheets are coming back with no total innings, no winner or loser, no total games won, or amount paid.

Thanks
Roger
