Message From the League Operator

Roger Schuett

APA of North Harris County

Thanks for playing in the North Harris county APA. It has been a tough couple of months. We had some teams leave for personal reasons and a couple of teams because of skill level reasons. It is important to remember that if you build a good team you will always need a couple of players that don't play well. If you do not, you will not be allowed to change players in the middle of the session. During the regular session we can allow teams to go over in points but in City it is not allowed and neither are playbacks allowed in City. I appreciate everyone who plays.

A new item on score sheets is for those players who have not paid their membership after the first week of play or by the fourth week. (whichever comes first) Please make arrangements to pay.

SINGLES REGIONAL RESULTS

We had 41 players qualify to play in the spring regional event held in San Antonio. There were 3 participants in the finals. Of the 3, one qualified for the Vegas trip in late April. Congratulation to Mike Leonard . Mike will be joined by Sonny Wright and Mike Crump, both who qualified in October. A good time was had by all. We hope to have more players try to attend next session. To attend you must win a qualifier which costs \$15. Once you qualify you will attend the regional event in September or October and if you win there you will attend Vegas in April 2011.

LADIES DIVISION

We may have two teams starting in the summer. To start this new format we will need at least 4 teams to start. If we can't find 4 teams it will be too hard to start. We could do a format that we play twice every other week if this would work out better. If there is anyone interested please contact the office or Penny Brown at Crazy Frogs 1960 & Falling Creek.

SINGLES QUALIFIERS

If you would like to hold a qualifier for you and 7 of your friends please call me and I will be there. I encourage everyone to set up a qualifier. Have your whole team play. Have two teams play starting during a match and then do the semi finals and finals after the match. As long as the matches are played and scored we can run a board. Join the fun and try to win your share of over 250,000 in Vegas April 2011.

DEFENSIVE SHOTS VIDEO

Please watch the Video on the web site about Defensive shots. The rule of thumb is if the shot was not defensive it is marked as a defensive shot. Please start marking these shots every time.

HOW TO KEEP SCORE VIDEOS

On the web site there are great videos on how to keep score. If you need more score keepers these videos will train you team how to keep score. Some score sheets are coming back with no total innings, no winner or loser, no total games won, or amount paid.

Thanks
Roger
