APRIL 2012

Message From the League Operator

Roger Schuett

APA of North Harris County

Thank you for being a member of the APA of North Harris County. On March 13, 2012 the APA approved our franchise to become a "full" Franchise. This means we will not be forced to find a new owner in the next five years. We do need to continue to grow but there is a little less pressure. I want to thank everyone for playing and participating in the APANHC. Thanks for your help in the last 3 years and four months. We may be announcing an additional expansion in the league territory in the next month. We could use everyone's help to continue to find new teams and players. If you know anyone who wants to play ask them to call me and maybe I can help them find a team.

April is the month that the APA holds the National Singles event in Vegas. We have 9 players participating in the event. Do you want to join us next year? The way to start is you would need to play in a local qualifier board. We hold these mini tournaments with 4 to 6 players who pay \$15 each. The winner of the tournament will go to a regional event held in the Houston Area against people of your skill level. If you win the regional event you go to Vegas. It's that easy. Call me for more information or if you have 4 players that want to play and I will help you run the board.

Qualified Teams

(from last month need to read)

All teams that qualified in the Summer or Fall may still lose their qualifications. Rosters of qualified teams are frozen after the fourth week of the spring session. Also there must be 4 members of the original team on the roster. You must have been in the top 50% of your division every session after you qualified. The final way to be removed as a qualified team is having a past due balance. No team will be allowed to play with a past due balance. No exceptions. Don't be surprised if you don't get to attend City. These are the rules..

City is coming. Be prepared for city. If you need a rule book please ask. We have plenty of them and if you read up on the rules you will see things you have not seen before. The APA is checking all teams to make sure they should be allowed to come to the National Event. Don't get DQed because you did not follow the rules.

Thanks again for everyone's help. If anyone wants to play on Thursday nights we are looking for teams. We play 8 ball and travel. If we could find more teams maybe we could not have to travel so far.

Masters Trips to Vegas.

We have two trips to go to Vegas. No Skill Level. Race to 7 with 9 games of 9 Ball, and 5 games of 8 Ball. There will be a tournament to go on the trip. All players will need 20 matches to participate in either 8 or nine Ball. For more information check out poolplayers. Com or call the office 281-682-2144
