QUAILIFING FOR SINGLES

Do you want to win a trip to Vegas? Do you want to win cash and prizes? Are you a 3? Quess what, you have a real chance at winning in Vegas. There are very few players that qualify for singles in Vegas in the 2-3 bracket. If you play in our single qualifiers and win you move to regionals. At regionals if you win you go to Vegas. In Vegas you play for 15,000 in cash and prizes. The APA pays for your lodging and pays part of your air fare. The balance of your airfare will be made up by the APA of NHC. Compete in the singles events where else can you possibly turn a single \$ 15.00 entry to over 10,000? To play on a board you must have played at least 10 times in the APA within the last 3 years.

Growth

Welcome to all the new teams playing this session. We are still looking for new teams. If you know anyonr that would like to play give me a call.

Thank You,

Roger Schuett
