Congratulations to all the players going to Vegas in August. Anyone that would like to join us in Vegas we will be there From August 19 through August 28. Come join in the mini manias and cheer on your favorite teams. We would love to see you there. If you would like to make it next year we have many opportunities to attend. Teams, Singles, Jack & Jill, Scotch Doubles 8 Ball, Scotch Doubles 9 Ball (new for next year), Wheelchair and Masters.

Level for both players is a 10. If you win a qualifier the finals will be held in March 2011 to go to Vegas in April 2010. In the event that your team exceeds the SL 10 by the time of the finals there will need to be a new partner selected to get to the 10. The fee to play in a qualifier is \$ 35 per team. Good Luck.

## RULE OF THE MONTH

Ball in hand? Can the player touch the cue ball with the tip of his cue?  
Yes. The rule is the ball can be moved with the cue , as long as the player is not stroking the cue.

## WEB SITE

<http://nhc,apaleagues.com> or [www.apanhc.com](http://www.apanhc.com)

## DEFENSIVE SHOTS VIDEO

Please watch the Video on the web site about Defensive shots. The rule of thumb is if the shot was not defensive it is marked as a defensive shot. Please start marking these shots every time.

## HOW TO KEEP SCORE VIDEOS

On the web site there are great videos on how to keep score. If you need more score keepers these videos will train you team how to keep score. **Some score sheets are coming back with no total innings, no winner or loser, no total games won, or amount paid.**

## HELP

Please have your team members watch the scorekeeping and defensive shot video and properly fill out the score sheets. It is important that score sheets are filled out correctly. For the handicap system to work we need accurate and complete score sheets.

ThanksRoger

Defensive shot: If it is not offensive it is defensive. Mark it
