Message From the League Operator

Roger Schuett

APA of North Harris County

The first session of the new year is over and we start the fall session. As with every new session we have some growth and then we have some teams decide to take a session off. We could use a couple of nine ball teams on Wednesday night. We have only 5 teams playing in Division 243 and only 4 in Division 241. Anyone wanting to start a team could you please contact me ASAP. I might have enough people interested if I can find a Captain.

The National Team Championship was a lot of fun. I wish everyone could have made it. We had a few people in the money and the results are in this newsletter. With the end of the session we now have teams qualified for the City tournament next year. If your team qualified you must remain in the top 50% of the division and keep at least 4 team members from the original team on your roster. The established players must play 4 matches ever session and new players
