team together and run at least one board per Team and we would have 47 people playing. It's easy, and fun. Who knows you might win a share of \$350,000. You must have at least 10 weeks of Team play in the last two years and be on an active roster to participate. Call me when you are ready to play on a board. If you are a 2 or 3 I really would like to see you participate. Every year there are less than 25 participants in this bracket. If you win the regionals you have a good chance of winning in Vegas. Good luck to all and please participate.

Do know anyone who would like to start a new team? How about anyone who would just like to join a team? Give them them the office number or just email their phone number so I can call them. My Email is [Roger@apaleagues.com](mailto:Roger@apaleagues.com).

Our Captain Tournament will be held on Halloween. We will also hold Jack & Jill Qualifiers and Singles boards. We will also have a costume contest at 5 o'clock. Come join the fun a play in on a Singles board or on the Captains Tournament. Let's get more of our members qualified to go to Vegas in April. Win a board and then win Regional, then you are off to Vegas.

#### MASTERS DIVISION

We are still looking for at least 6 4 man teams that want to play this format. There is no skill level in this format. You play a race to 7 games. You will play 8 games of 9 ball and 5 games of 8 ball. The winner of the lag determines the game or break. If interested in playing this format please call the office. The proposed day for this format is Sundays at 6:00 o'clock. If you choose to play this format only you will not be eligible for the singles program. (you must be on an open roster with an assigned skill level)

Thanks again for playing in the APA of North Harris county. If you have questions or concerns please feel free to contact the Office. The Number is 281-682-2144  
Roger
