Message From the League Operator

Roger Schuett

APA of North Harris County

Regionals for those who qualified prior to June 30, 2010 was held October 2nd and 3rd in Harker Heights, Texas. We had 12 players make it there. Everyone tried to do well. David Trujillo made it to the final match in his bracket. He lost the match making him runner up. If you would like to attend in April, you have less than 60 days to qualify for the event in March. November 30 is the last day to qualify. If you have 4 people willing to try call me, I will hold the event where and when you want. The cost is \$15 per player and each player must have 10 matches in and be on a team in the format they play. If you win the board, you will play in the regional event, win there and you will be in Vegas. With the Jack & Jill, program you will need to play in a qualifier the cost of which is \$35. To be a team you must have a male and female player whose combined skill level does not exceed 10. Both players must have 20 matches played in 8 ball. After winning the qualifier, you will play in a city tournament to compete for the trip to Vegas.

USE MY CUE BALL

It has been a common practice for players to replace the cue ball on the tables. This is only OK if both players agree.

Actually in higher level tournaments, it is not allowed, no exceptions. I have also heard that some players are bring a complete rack of balls. This is just not allowed. It makes no sense and gives the advantage to the owner of the balls. If there are any questions, feel free to call me, but we will not condone replacing a whole rack of balls.

T SHIRTS

We still have APA T. Shirts available. They cost \$5.00 each. They are white T shirts available in sizes S through XL. In November we will have a Black T Shirt available. The cost on these shirts will be \$8 each. The sizes available will be from S though 3XL. If you want to reserve a shirt now please send a note on your score sheet. Sizes are first come first serve.

SCORE SHEETS

Please help us correctly fill in score sheets. You must fill in the following blocks all the time

Member Name
Member Number
Games won
Total Games won
Defensive Shots
Matches won

These all need to be filled out or we will rely on someone elses score sheet. Last month there was 3 score sheets with the wrong winner. This will not be fixed in the future. Proof the score sheets before you sign them. We all can do a better job of keeping score.

Defensive shot: If it is not offensive it is defensive. Mark it

If you cannot find it, try to friend Roger Schuett and look at my page. We are trying to get to the point where we can inform everyone when we do a singles boards that are not advertised or if we are a player short. This is a fun way to disseminate information that can help us all. We may also use it to pass on names of people looking for teams, players needing help and maybe even host location tournaments. Hope you join up soon.
