Message From the League Operator

Roger Schuett

APA of North Harris County

Half the fall session is complete. Make sure you understand all the rules. If your team won in the summer session, you must remain in the top half of your Division during the Fall and Spring Session. (National rule not local) During the Spring session, your team must have 4 of the original players on the roster. By the end of the Spring session, all players must have at least 10 lifetime matches and at least 4 played in the Spring. (Again a National Rule) Look in the Team Manual for all the rules. No roster changes will be allowed in the Spring Session after the fourth week for Qualified teams. If you have any questions, it is important to get them answered now. Don't wait until we have to take away your spot in Cty to understand the rules. To get a copy of the rule book, please leave a note on your score sheet, or look at the National Web Site. I WANT TO GO TO VEGAS

Yes you can. To attend the tournament in April, 2010, you must qualify to attend by winning a singles board. Here is how it works. You play with 4 to 8 players on a singles board. The cost to play is \$ 15.00. When you win a singles board, you will attend a regional tournament. The tournament will most likely be held in Temple the first weekend in March. There you play on a board of 16 players or less. When you win this board you will be going to Vegas. Come join us.

There is one more chance to go to Vegas in April. The Jack & Jill tournament will be held in April. We have Qualifiers between now and February. We have one trip available for April. We are on the waiting list for a second trip. To play in the Jack & Jill tournament, your team must have a combined skill level of 10 or less. You must be on a 8 Ball team and have at least 20 lifetime matches. The cost to play is \$ 35 a team. You play alternate shot. There is a race chart like we have during league play. In February or early March, we have a finals tournament. The winners will get a paid flight and hotel to Vegas. Please come and try out and maybe you will join us in Vegas

T SHIRTS

The new Black APA Shirts are now available. The cost of the new shirts is \$ 8.00 We have sizes S to 5XL If you would like to purchase a shirt write a note on your score sheet. We still have some of the white shirts available for those interested. The cost for the white ones is \$5.00. If interested, contact the office, email Roger@apanhc.com or call 281-682-2144.

SCORE SHEETS

Please help us correctly fill in score sheets. You must fill in the following blocks all the time

- Member Name
- Member Number
- Games won
- Total Games won
- Defensive Shots
- Matches won

These all need to be filled out or we will rely on someone elses score sheet. Last month there was 3 score sheets with the wrong winner. This will not be fixed in the future. Proof the score sheets before you sign them. We all can do a better

job of keeping score. We may start giving out penalty points for score sheets with missing information. We may also start giving out Bonus points for properly completed score sheets and all dues being paid on time. I don't like the idea that someone could win the session by keeping their paper work straight and not playing pool. We need your help in getting all score sheets filled out properly.

Have Fun and play pool

Defensive shot: If it is not offensive it is defensive. Mark it
