NOVEMBER 2012

Message From the League Operator

Roger Schuett

APA of North Harris County

Thank you for participating in the APA of North Harris County. There are some changes looming in the future. First starting next year the singles program will change. The fees will increase to \$20 a player. For the extra fee the travel allowance will increase and the rooms will be single occupancy. We are being asked to try a new 8 Ball scoring system. It is a 3 point system. You get 3 points for a x-0 match, 2 points for a x-1 match and split of 2-1 for a win to hill match. If you are interested in helping test this style of scoring please see if your whole division wants to try or maybe we can start a new division using this format.

SINGLES REGIONALS

The regional Tournament may not be held in the Houston area if we do not get some more participation in the program by November 30, 2012. We need to run a lot of boards (mini-tournament) to qualify players for the tournament. The last regional we had only 53 skill level 8 ball players show up. The winner who is going to Vegas only won twice. In the 3 bracket if you went to Vegas you won just by showing up. Don't be scared let's try and get 8 qualified players in both 8

The following dates and times are tentative dates and times assuming that we have enough participants. If interested please call the office and find some players that will play with you.

& 9 Ball. We want to be represented well this coming year.
MEMBERSHIP

Any player who has not paid their \$25 by the fourth week of the session are in jeopardy of losing any points won during the session. The fees are completely sent to the National Office and therefore must be paid. Don't lose your points and be removed from your roster because of the non payment of fees. If your name is removed from the roster and your points are taken away they will not be returned until all fees are caught up including membership and weekly fees. Teams that are past due are not going to be qualified for playoffs or the city tournament. Team fees need to get caught up.

SPRING SESSION

We are looking for new teams to start playing in the Spring. Football is over, the weather is not great and it is the season where teams will be set to play in the city finals. Do you know anyone that would like to restart next session? Please have them call. We are going to split a couple of Divisions and hopefully start a 9 Ball Division in the Humble area. Although it is difficult to win the trip to Vegas if you start in the Spring it helps get us another trip to Vegas. We need four more 9 Ball teams by April to get a second team for Vegas. In 8 Ball we need 10 more teams to get a third trip. Let's work together in growing the league. If you can help and need some marketing materials please call the office. 281-682-2144

I hope everyone has a good Thanksgiving. Be Safe and careful. Let's have fun and play pool. I hope I see everyone at least at one of the events this month.
