Message From the League Operator

Roger Schuett

APA of North Harris County

What a Month. We had Single qualifiers every weekend in November. Congratulations to all the winners and thank you to all the participants. We are going to send 41 players to the Spring regionals. For those of you who are new here is a brief explanation of the APA Singles program. APA holds a major tournament in Las Vegas every April. To qualify to attend you need to win a local Qualifier board. Once you win the Local board you will participate in a Regional event. At the regional event you will play with people around your skill level. For every 16 players one gets to go to Vegas, The APA will give you a room that will be shared with another player and \$ 200.00 towards airfare. The money is held until you arrive in Vegas. You will play with people from your bracket. There is a total of \$350,000 given away in prizes at this event. The Regionals are held twice a year. If you Qualify between January thru the end of June you go in October, If you qualify between July and the November 30 you go in late February or early March. If you win at regionals you go to Vegas in late April. I hope to have everyone participate in Singles next year. If you want to go to Vegas in April and have not qualified there are ways you can still go. Participate in Jack and Jill competition. Also you can attend the Tournament and

DEFENSIVE SHOTS VIDEO

Please watch the Video on the web site about Defensive shots. The rule of thumb is if the shot was not defensive it is marked as a defensive shot. Please start marking these shots every time.

HOW TO KEEP SCORE VIDEOS

On the web site there are great videos on how to keep score. If you need more score keepers these videos will train you team how to keep score. Some score sheets are coming back with no total innings, no winner or loser, no total games won, or amount paid.

NEW SESSION STARTS IN JANUARY

We will start back up in January. Does your team need to split? Remember that the spring session is the Roster that will go to the Local Team Championship. If your team has qualified or intends to qualify in the spring you roster cannot change after the 4th week of next session. If you are close to not making the 23 rule please consider splitting your team. I will be happy to try and help you find members. If your roster changes after the first 4 weeks you won't be able to participate in City. (Some exceptions with LO approval)

DIVISION SPLIT

Due to the size of Division 21 it will be split into 2 Divisions in January. We also would like to start a Division in the Jones road area in January. If you have any suggestions or comments please contact the league office. 281-682-2144

9 BALL

To get a trip to Vegas we need at least 14 9 Ball teams. If you would start a team please contact the office.
Thanks
Roger
